Medal Race Inspections

Boats competing in the Medal Races shall be inspected by the Technical Committee before they depart for the race area.

Notwithstanding the timing in 7.1 of Sailing Instruction and Attachment D competitors in the Nacra 17, 49er and 49erFX Medal Races are requested to present their boats and equipment for inspection at the top of the ramp in the harbour at the following times:

- 49erFX: 12:15
- 49er: 12:30
- Nacra 17: 13:00

Failure to present your boat for inspection will delay your departure to the race area as boats shall be inspected before being allowed afloat.

Thank you.
