DEPARTURE INSTRUCTIONS

On Saturday 19th February, many of the teams are leaving on the ferry that same night. In order to make the derigging process and trailer preparations as smooth as possible, we propose the following plan.

FRIDAY 18th - AFTER 17.00 hrs

ALL 49er & FX ROAD TRAILERS SHOULD GO INTO VARADERO AND STAY THERE OVERNIGHT.

Remember on Saturday there will be "Mercadillo" in the Marina and trailer movements are very limited.

SATURDAY 19th – IMMEDIATELY AFTER RACING

ILCA COACH BOATS WILL GO OUT THROUGH ILCA RAMP, BY THE MARINA WALL. 49er/FX COACH BOATS WILL GO OUT OF THE WATER IN VARADERO, USING THE FORKLIFT.

When 49ers/FX are derigged, you will walk them into Varadero and load your trailer inside Varadero/Shipyard.

Only when the trailer is full loaded and ready to go, then you will bring in your car/vans to collect it.

You may leave the trailers inside Varadero until you leave for the ferry.

Our goal is not to block the traffic for other Marina customers. We will make sure the driving around is limited and controlled, but we always need to keep an open lane.

THANK YOU FOR YOUR COLLABORATION!
