Schedule for 14/02/2022

09:00 Skippers meeting

10:00 Slalom for men: 2 full races for each heat
followed by Slalom for women: 2 races for each heat

We're expecting lighter winds during the first hours of competition, so the plan is going for more slalom, alternating 1 men and 1 women races 1, and always evaluating wind and time restrictions in order to switch to course racing whenever is suitable.
